Site Plan showing the proposed location of platform, manholes, grates, curbs, curb blocks, utility access, furniture, canopies or pergolas, fencing, signs, planters and landscaping, and other accessories for the outdoor dining area; a description, drawing, sketch, or photograph showing the design of all furniture, fencing, canopies, signs, and accessories to be used in the outdoor dining area; location for the outdoor dining area, parklet or streeter; and other pertinent information related to the use of the outdoor dining area/parklet or Streeter such as an elevation.

Certificate of Insurance for comprehensive general liability and products and complete operations coverage in a minimum amount of \$1,000,000.00 per occurrence and in the aggregate, provided that those certificates may be furnished as evidence of such coverage purchased for the applicant's principal place of business for serving food, food products and/or beverages, so long as such certificates meet the minimum acceptable requirements established in this section. All certificates shall be issued by an insurance company authorized to do business in North Dakota, shall name the city as additional insured and shall provide that the policy shall not terminate or be canceled prior to the expiration date without 30 days advance written notice to the city. The permit holder or encroachment agreement party shall continuously maintain the insurance required by this section and shall continuously provide the city with evidence of the insurance required by this section.

Before issuance, the applicant must submit written approval from the health department and/or other applicable regulatory agency showing that any outdoor dining area has been inspected and is in compliance with current requirements for food handling establishments or sale of other product.

Before issuance of Parklet or Streeter Permits, the applicant must obtain a building permit from the City of Minot. A final Certificate of Occupancy must be obtained before allowing public use.

Use of sidewalks, streeteries and parklets require an encroachment permit from the City of Minot Engineering Department.

Note: Although encroachments are issued for an indefinite period until revoked, the building permit requires renewal in the form of an inspection each time the Parklet or Streeter is reinstalled. This is an annual permit that requires reapplication as well.

Reason(s) for Encroachment being requested from City of Minot.
